

# Protect Your Digital Life

## USE STRONG PASSWORDS TO SECURE YOUR ACCOUNTS

**\*Create UNIQUE passwords for each account.**

**\*Avoid using “123456,” “password,” or personal info!**

**\*Mix letters (upper & lower case), numbers, and symbols.**

**\*MAKE IT LONG & COMPLEX:**

**\*Short passwords are easier to crack.**

**\*Aim for at least 12 characters or more.**

**\*DIVERSIFY YOUR PASSWORDS:**

**\*Don’t reuse passwords across multiple accounts.**

**\*Use a different password for each account.**
